Filing Description:

We have been retained by Life Insurance Company of the Southwest to file the enclosed form for approval in your state.

Our fee of \$100 has been sent by EFT on this same date. This fee is based on the Company's state of domicile. This form is new and does not replace any previously approved form.

This policy form is a premium deposit account rider. This rider is available to all policies for all issue ages and all risk classes. There are no charges for this rider. It will be used with all life insurance products of the company's portfolio.

This rider allows for the payment of a lump sum payment that will be used to pay future planned premiums for the life insurance policy to which this rider is attached on an annual basis, using amounts withdrawn from a premium deposit account. This rider may be elected on or after issue of the policy. The lump sum payment, the payment period and the guaranteed credited interest rate are shown in a Premium Deposit Account confirmation letter which is sent to the owner upon receipt of each deposit.

The death benefit associated with this rider is the premium deposit account balance with accrued interest.

The only variables in this rider are the company address and officer's signature.

Please note that except for Company reference and form number, this form is identical to another form, form 20120(0512), that we are submitting concurrently via a separate filing on behalf of National Life Insurance Company. We suggest that you review the two submissions together.

To the best of our knowledge, this filing is complete and intended to comply with the insurance laws of your jurisdiction.

Comments:

On behalf of Life Insurance Company of the Southwest, we offer the following:

Thank you for reopening this filing. Subsequent to your approval of this rider, the Company noticed an error. In the fourth paragraph of the Withdrawals and Surrenders provision on page 3, item 1 "Premium Deposit Account balance" should replace "Accumulation Value" so that item 1 now reads, "10% of the Premium Deposit Account balance; or". We are substituting the attached revised rider for the one previously approved. Because this rider has not yet been issued to any policyholders in your state, the Company would like to use the same form number.

We trust this information will allow you to finalize review of this filing. If you need any further information or have any questions, please call toll-free 1-800-927-2730. Thank you for your assistance.

PREMIUM DEPOSIT ACCOUNT RIDER

This rider allows the policy Owner, or the Depositor as shown in the Instructions for Premium Deposit Account Rider form, to make a lump sum payment which will be used to pay future premiums of the policy over a chosen Payment Period. The Premium Deposit Account is not intended to be used for investment purposes.

This rider has been issued as part of the Entire Contract. Defined terms and contractual provisions are set forth in the policy or are added by this rider. This rider is attached to and amends the policy as of the Effective Date of the rider. There are no charges for this rider.

PREMIUM DEPOSIT ACCOUNT

The lump sum payment will create the Premium Deposit Account. The lump sum payment is shown in the Premium Deposit Account confirmation letter. Only one Premium Deposit Account is allowed on each policy. Partial withdrawals will be taken from the Premium Deposit Account on the Policy Anniversary. The partial withdrawals will be used to make automatic payments called Planned Premiums.

We will issue a revised policy Data Section showing any change in the policy's premium when the Premium Deposit Account is created or when the Planned Premium is changed.

PLANNED PREMIUM

The Planned Premium is paid annually from the Premium Deposit Account. It represents the premium payment as shown in the policy's Data Section which includes the base policy premium and any premiums for riders that are attached to the policy. If the premium payment mode is shown other than annual on the policy's Data Section, then the mode will be changed to annual. Premium payments in the policy's Data Section may be referred to as a "Planned Periodic Premium," an "Annual Premium," or a "Premium" depending upon the type of policy that the Data Section applies to.

*Home Office: 15455 Dallas Parkway * Suite 800 * Addison, Texas 75001*

CHANGES TO PLANNED PREMIUMS

The amount of the Planned Premium may only be changed if:

1. a new lump sum payment is made into the Premium Deposit Account;
or
2. a change is required in order to meet the minimum or maximum premium limits in accordance with the terms of the policy to which this rider is attached; or
3. a partial election of an Accelerated Benefits Rider is processed; or
4. a partial withdrawal is made; or
5. any premium is waived due to the exercise of a Waiver of Specified Premium Rider or a Waiver of Target Premium Rider.

The policy Owner may elect to change the Planned Premium. If we receive no election, the Premium Payments will continue without change, and the Payment Period will end when the Premium Deposit Account is insufficient to pay the Planned Premium.

PREMIUM PAYMENTS

Planned Premiums are automatically paid on an annual basis. The Premium Deposit Account may not be used to pay partial premiums.

If the Premium Deposit Account is insufficient to pay the Planned Premium or if the Payment Period has been completed, the remainder of the Premium Deposit Account balance will be paid to the Owner or the Depositor. Benefits under the Premium Deposit Account Rider will then be terminated.

Premiums in addition to the Planned Premium amount can be paid by the Owner subject to any restrictions of conditions for premium payments as stated in the policy.

INTEREST CREDITED TO THE PREMIUM DEPOSIT ACCOUNT

Interest will accrue daily from the policy anniversary day of the month nearest the premium collection day. The premium collection day will be the date the instructions for the Premium Deposit Account and lump sum payment are received by us.

Life Insurance Company of the Southwest

*Administrative Office: One National Life Drive * Montpelier, Vermont 05604 * (800) 732-8939*

*Home Office: 15455 Dallas Parkway * Suite 800 * Addison, Texas 75001*

Amounts held in the Premium Deposit Account will be credited with interest on each premium due date at an interest rate which will be guaranteed for the Payment Period. The credited interest rate is shown in the Premium Deposit Account confirmation letter. The interest credited will reduce the amount of Premium Deposit Account funds required to pay the Planned Premiums.

If the policy and the Premium Deposit Account are terminated prior to any premium due date, no interest shall accrue or be payable for the period from the last premium due date to the date of termination.

Interest credited to the Premium Deposit Account may be taxable. A federal 1099-INT statement or its replacement showing the amount of interest credited will be sent annually to the Owner or to the Depositor if different than the Owner.

SUBSEQUENT DEPOSITS

Subsequent deposits will require an increase in the Planned Premium amount or an increase in the Payment Period. A Premium Deposit Account confirmation letter will be sent to the Owner or the Depositor reflecting any subsequent deposits.

WITHDRAWALS AND SURRENDERS

Once per policy year, a partial withdrawal of up to 10% of the Premium Deposit Account balance will be allowed upon written request from the Owner or the Depositor. A confirmation letter reflecting the partial withdrawal will be sent to the Owner or the Depositor. The Planned Premium may be changed due to any payments of partial withdrawals.

Upon death of the Insured, the Premium Deposit Account balance will be paid to the Beneficiary or the Depositor as selected on the Instructions for Premium Deposit Account Rider form. The entire Premium Deposit Account Rider will then be terminated.

Upon termination of the policy, or if the policy is continued under a nonforfeiture option, the Premium Deposit Account balance will be paid to the Owner or the Depositor. The entire Premium Deposit Account Rider will then be terminated.

Payments of the entire Premium Deposit Account balance will incur a surrender penalty equal to the lesser of:

1. 10% of the Premium Deposit Account balance; or
2. the current sum of interest earned on the Premium Deposit Account.

*Home Office: 15455 Dallas Parkway * Suite 800 * Addison, Texas 75001*

INTERACTION WITH ACCELERATED BENEFITS RIDERS

The Premium Deposit Account balance will only be paid to the Owner or the Depositor upon the full election of an Accelerated Benefits Rider. Under a partial election of an Accelerated Benefits Rider, the Premium Deposit Account will continue to pay Planned Premiums. The Planned Premium may be reduced in order to comply with the conditions of premium payments as stated in the policy or rider.

INTERACTION WITH WAIVER OF SPECIFIED PREMIUM OR WAIVER OF TARGET PREMIUM

If any premium is waived due to the exercise of a Waiver of Specified Premium Rider or a Waiver of Target Premium Rider, we will pay an amount equal to the Planned Premium to the Owner or the Depositor. These riders may not be applicable to your policy.

INCONTESTABILITY

If the Insured dies within the contestable period of the policy to which this rider is attached from any cause, any remaining Premium Deposit Account balance will be paid to the Owner or the Depositor.

REINSTATEMENT

If this rider is terminated, it will not be reinstated. However, a new Premium Deposit Account may be opened by submitting a new Instructions for Premium Deposit Account Rider form and making a new lump sum payment.

LIMITATIONS

This rider may not be exercised while the policy to which this rider is attached is owned by a Qualified Pension or Profit Sharing Plan. If the Owner wishes to exercise this rider, the policy must first be transferred out of the plan.

TERMINATION OF PREMIUM DEPOSIT ACCOUNT BENEFITS

Benefits paid under this rider shall terminate on the earliest of:

1. after the balance of the Premium Deposit Account becomes zero; or
2. when the Payment Period has been completed.

TERMINATION OF THIS RIDER

The entire rider will terminate on the earliest of:

1. the date the policy terminates; or
2. if the policy is continued under a nonforfeiture option; or
3. upon the death of the Insured.

When this rider terminates:

1. all rights under this rider will cease; and
